**CHECK THE RULES AND GUIDELINES THERE BEFORE YOU POST**

## 1. What can DriveMoz mean for / to you?

- 1.1. Dirk Fourie from Centurion saw the need for communication between tourist travellers to, in and from Mozambique and then created DriveMoz in October 2013.
- 1.2. He is assisted by Admin members and Moderators. They all do the management of the group in their own time; they all have full time jobs (which is not DriveMoz)
- 1.3. By becoming a member, you are part of an exclusive group, not anyone can join or is allowed to join. By joining you agree to abide by the group's rules that may change from time to time. It's for the happiness of everyone in the group.
- 1.4. A DriveMoz Member's sticker is not a "Get-Out-Of-Jail-Free" token
- 1.5. We DriveMoz take no responsibility or accountability for posts / comments or reactions. We attempt to manage these within the rules and laws, but the member posting or commenting remains accountable and responsible for its actions. Members become part of a family, a community of Mozambique lovers (and visitors)
- 1.6. Being part of this group means that you **commit to behave responsibly**, to respect the Mozambique laws, the nature, the people and fellow holiday makers and road users. Leave the bad manners and hooligan styles at home if you do have **- relax** - we all worked hard to experience enjoyable times. Mozambique is not another province of SA or other country, it is a country on its own. We are visitors, we behave like good visitors and guests.
- 1.7. Members communicate and assist each other via the **Zello** Walky Talky App's DriveMoz Channels, as well as Facebook. The Telegram groups were closed as it becomes too many platforms to monitor .
- 1.8.
- 1.9. Members also assists each other in person, when the need arise in you getting stuck, during breakdown or even worse. We exercise camaraderie, we are a family.

- 1.10. Members should not only join when going on holiday, it is a give and take process - plough back what you learned. Maintain your membership of the Facebook Group. Proudly Display your membership token (Member Sticker) even if you are not in Mozambique, to show that you are part of the family.
- 1.11. Members get access to the **Members Area** on the [www.DriveMoz.co.za](http://www.DriveMoz.co.za) website where many Files with information is available, as well as maps, the laws, penalties and fines, etc.
- 1.12. Members of DriveMoz will easily obtain membership on the other DriveGroups like DriveBots, DriveNam, DriveZim, DriveZam, DriveTan, DriveMal, DriveSA and DriveAngo groups.
- 1.13. DriveMoz leaders have worked hard to improve on the solicitation of visitors. Although it's not perfect, it has much improved. We will thus not hesitate to **Name and Shame** members / people who blatantly ignore the laws and damage the good DriveMoz name. Displaying your member sticker set, means that you agree to what the DriveMoz endeavours are.
- 1.14. As member we do not BRIBE. We do not use "Facilitators" at the border as that is the source of solicitation and bribery. DriveMoz team has done lots to remove such criminals from the borders. Do NOT feed them.

**The DriveMoz name is well-known in Mozambique (frequently on TV) and being a proud member means that you receive respect and assistance, but also exercise respect and camaraderie.**

## 2. How to Find Information / advice from DriveMoz

We have several ways to convey the valuable and needed information to you. This is for your benefit, as we hate it when you are scammed or when money is solicited from you, where we have already experienced the same situations and learned to handle it.

**Some members learned the hard way, why must you too?** Here are the ways to access info:

- 2.1. At the TOP of the FB group or on the side if you use PC, is the Menu items **The "Featured" Tab** gets frequently updated with the latest verified info.

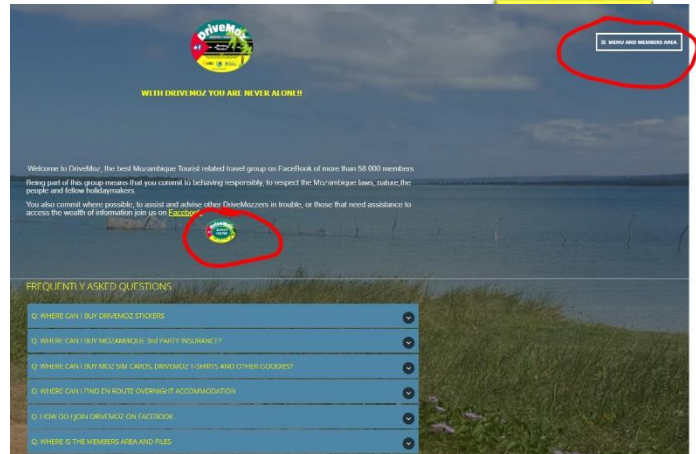

**Units** (Learning Units) is also a **Menu Item** - please Find it and **read it ALL**, there are several sections with videos of dangerous Mozzi Eye's (Camera) places.

- 2.2. Frequently check the **Featured Tab** at the top of the group or on Menu - we update changes there - like Meat Bans, Riots, washed away roads, cyclone warnings etc.
- 2.3. Only DriveMoz members can get access to all the valuable info in the **Members Area** on our Website [www.DriveMoz.co.za](http://www.DriveMoz.co.za)  
Here you will see all the requirements, border procedures and tips, checklists, how to complete forms, examples of affidavits needed, maps, routes etc.

**Please consult this special section**

- 2.4. Also, on the **Facebook group**, Scroll Down and read recent posts.

- 2.5. Use the Group **Search Button** or Field. On phone it's at the very top when you open the DriveMoz Group, on PC it is on the Left Side below the menu.

- 2.6. If you still have a question, please ask on the Group, many members will assist, (We are much more than 82,000 members.) Before you do that, please just check the advice above.

- 2.7. Check under **Members Area** on the Website [www.DriveMoz.co.za](http://www.DriveMoz.co.za), under **Communication** for more ways to get assistance and advice from fellow members. We use Zello, and the FB Group.

- 2.8. Please practice Zello before your trip. Instructions are as above. When you are in a difficult situation, immediately use the Zello app on DriveMoz Channel. Do not complain afterwards about how bad this or that is. If you are guilty of an offence, face it, pay the fine, get a receipt !!!!! and move on. DO NOT BRIBE - you are feeding the dragon. Through work of DriveMoz, our members have managed to cause corrupt officers to be jailed.

### 3. Where to get Member's Stickers?

- 3.1. Members proudly display their membership status. Not only when you visit Moz, but wherever you go. We saw member's sightings in Canada, Namibia, Germany etc.
- 3.2. We have more than 50 approved DriveMoz sticker distributors, from Cape Town up to Harare. These stickers and the name are Trade Marked and may not be copied.
- 3.3. Each sticker set comes with 2 stickers and instruction leaflet.  
The member sticker represents the country's flag colours, as well as well-known icons of the country and DriveMoz.
- 3.4. Each member sticker has a unique number. Instructions are provided with each sticker, on where to fit it, and how to register it so that you are eligible for prizes from time to time. It also gives us means to reach your family or friends should you be in unfortunate situations.
- 3.5. One big sticker high up on Right Side at rear of vehicle, e.g. next to ZA sticker. Not on the window or bumper as these are smashed in accidents. The Small one behind side mirror on right hand side so that police and members coming from the front, can recognise your membership.
- 3.6. Find your nearest distributor here (Right Click Link and Open in new Window, so not to lose your place here) [Sticker Vendors](#)
